Step 1: Go to www.emodal.com and select the Register Now button
Step 2: Review eModal Agreement (Terms of Service) and select the “I agree” checkbox and then the “I agree button”
Step 3: Review “Terminal Warning” and select “ok”. Enter required Company Information: Company Type, Company Name, Address, City, Country, State and Postal Code. Select “Next” button. Note: A trucking/drayage company is also required to enter a SCAC code as well as a US DOT permit number and/or Motor Carrier Permit number.
Step 4: Enter the Country, Area Code and Local Number on the Company Information (Continued) screen. Select the “Next” button.
Step 5: Enter the required Administrator information for the eModal account. Select “Next”.
Step 6: Enter Co-Administrator Information. This user can be the same as the Administrator if necessary. Select the “Next” button.
Step 7: User will need to verify if they will be visiting the following Terminals:

- Seagirt Marine Terminal and/or Dundalk Marine Terminal
- Philadelphia Regional Port Authority’s Greenwhich Terminal

Select the “Next” button
Step 8: Registration Summary-Confirm all of the information entered is correct and select the “Next” button.
Step 9: Confirm Registration by selecting the “Finish” button.
